

Safaris in Tanzania - Most Popular

Below is a selection of our Tanzania safari tours that have been popular with our clientèle over the past 7 years, these safaris are completely customizable and can be booked as is or tailor made to fit your budget or time frame. Interestingly you will notice that the below safaris are all visit the Serengeti National Park (for good reason)....

Simba Safari - from US\$ 2267.00 per person sharing (Low Season)

Tanzania undoubtedly has some of the finest wildlife viewing in Africa. The Simba Safari journeys through four of the country's most exciting parks, with increased opportunities of spotting the Big-5 and a huge variety of other species.

Treasures of Tanzania - from US\$ 1717.00 per person sharing (Low Season)

Flying to Serengeti is a wonderful way to start this safari. The accommodation here is located in some of the most dense wildlife areas, so there are plenty of opportunities to watch animals directly from your veranda.

Classic saffron safari - from US\$ 3518.00 per person sharing (Low Season)

Varying slightly in style, cost and location, these safaris combine northern Tanzania's wonderfully diverse flora and fauna with the culture of Zanzibar's Stone Town, golden beaches or perhaps a small exotic island.
